Are you interested in selling a diamond, an antique bracelet or family heirloom?

CIRCA specializes in assessing and purchasing diamonds, fine jewelry and watches. CIRCA approaches a one-carat diamond engagement ring with the same attention to detail as an entire collection of rare art deco pieces. CIRCA looks to acquire jewelry made by famous makers, such as Cartier, Van Cleef & Arpels, Tiffany and for watches made by Rolex, Patek Philippe, Vacheron, Breguet and others, as well as pieces without identified pedigree.
